**Let's be Practical- Evaluating RFPs  
for Key Requirements**

**Breakout Session Speaker: Brad A. Edwards**

## Disclaimer

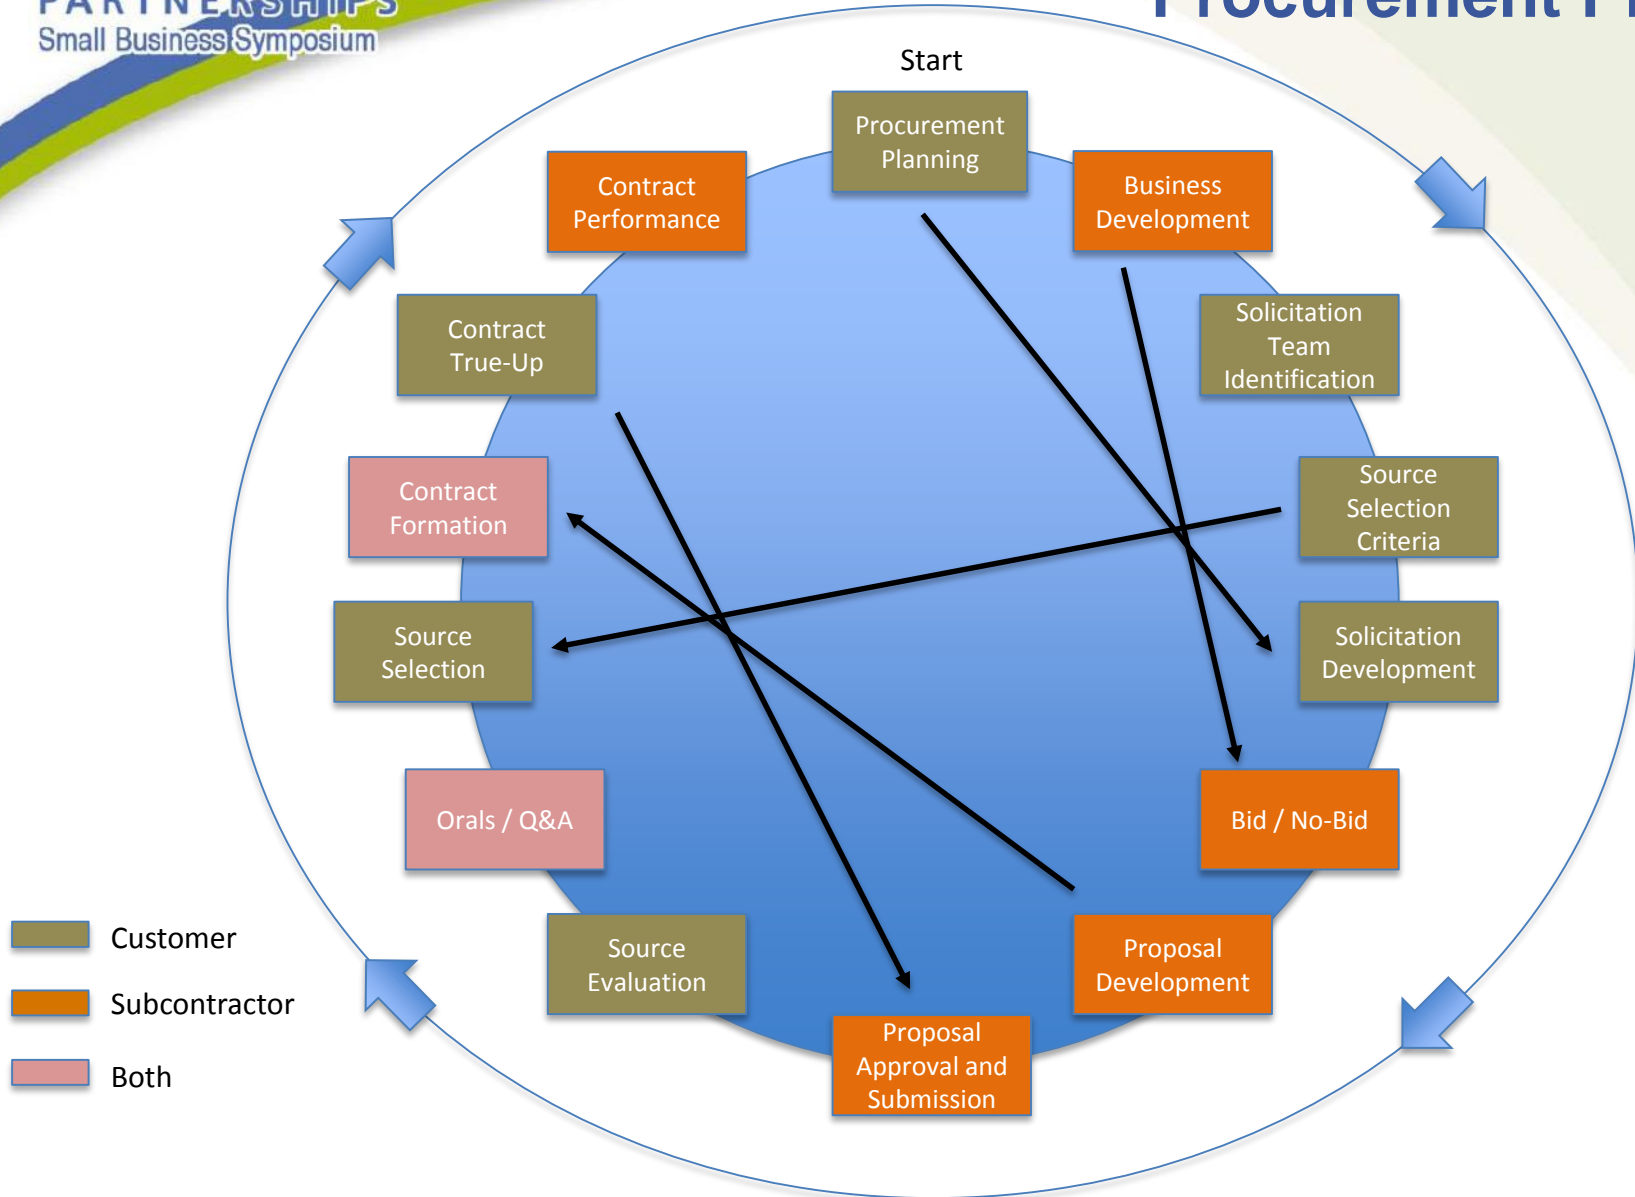

This presentation focuses on proposal evaluations.

Not all procurement scenarios can be addressed nor can all evaluation approaches be considered.

You as the bidder are responsible for your end product, its quality, solutions, reasonableness, effectiveness and ability to be evaluated.

Much of this is the opinion of the presenter from decades of reviewing or preparing proposals.
